

Copyright Transfer Agreement

This Work is being submitted for publication to the journal, *Opto-Electronic Engineering(OEE)*, co-published by Institute of Optics and Electronics, Chinese Academy Of Sciences (IOE, CAS) and The Chinese Optical Society (COS).

Manuscript ID: _____

Title of Manuscript ("Work"):

Submitting Author's Name and Address:

Please read the following issues about copyright carefully and keep a copy for your files.

Author Responsibilities and Rights

1. Manuscripts including all the materials, such as data, figures, tables and so on submitted to the journal must be original and not been published previously (except in the form of an abstract or as part of a published lecture or academic thesis or as an electronic preprint), and it is not under consideration for publication elsewhere in any language.
2. The Work contains nothing libelous or contrary to law. Its publication is approved by all authors and tacitly or explicitly by the responsible authorities where the work was carried out.
3. For primary research manuscripts submitted to the *OEE*, the Author(s) must confirm that all experiments were performed in accordance with relevant guidelines and regulations. For experiments involving human subjects, Author(s) must identify the committee approving the experiments, and include with their submission a statement confirming that informed consent was obtained from all subjects.
4. Author(s) warrant that the article does not infringe any third party rights and no license from or payment to a third party is required to publish the article. Any scientific knowledge contained in the Work is true and accurate.
5. After submission of the agreement signed by the Author(s), changes of authorship or in the order of the Authors listed will not be accepted.
6. The *OEE* grants the Author(s) the right, after publication by *OEE*, to use all or part of the Work in personal study, research, lectures, or class purposes.

Copyright Transfer Policy

1. The copyright to the articles submitted to the *Opto-Electronic Engineering (OEE)* is transferred to *Opto-Electronic Engineering*. The Author signs for and accepts responsibility for releasing this material on behalf of any and all co-authors. The copyright transfer covers the exclusive right and license to reproduce, publish, distribute and archive the article in all forms and media of expression now known or developed in the future, including

reprints, translations, photographic reproductions, microform, electronic form (offline, online) or any other reproductions of similar nature.

2. If the paper is accepted, it will not be published elsewhere including electronically in the same form, in English or in any other language, without the written consent of the copyright-holder.

3. In the event the Work is not accepted and published by the *OEE* or is withdrawn by the Author(s) before acceptance by the *OEE*, the foregoing copyright transfer shall become null and void and all materials embodying the Work submitted to the *OEE* will be destroyed.

4. The Author(s) hereby agree to abide by this policy. The Author(s) also hereby agree that *OEE* may use his/her name, photo, or likeness in connection with promoting or advertising the Work and any adaptation thereof, in the journal issue or other medium in which the Work is included.

5. If Author(s) are employed and prepared the Work on a subject within the scope of employment, the copyright in the Work belongs to Author(s)' employer as a work-for-hire. In that case, the *OEE* assumes that when Author(s) sign this agreement, Author(s) are authorized to do so by Author(s)' employer and that employer has consented to the transfer of copyright, to the representation and warranty of publication rights, and to all other terms and conditions of this agreement.

6. The occurrence of other issues not stipulated in this agreement should be resolved through negotiation by both parties, otherwise, such issues would be resolved according to the Copyright Law of the People's Republic of China and other pertinent laws and regulations.

Author Certifications

- The signing Author(s) have the full power to enter into this agreement and to make the grants contained herein.
- For jointly authored Works, all joint Authors should sign. If each Author(s)' signature does not appear below, the first Author should sign this Agreement as authorized agents for and on behalf of all the Author(s), and this agreement and authorization is made on behalf of all Author(s).
- The signing Author(s) agrees to indemnify and hold harmless the *OEE* from any damage or expense that may arise in the event of a breach of any of the warranties set forth above.
